Frequency Electronics Announces 2nd Quarter Financial Results Conference Call: Wednesday, December 13, 2017, at 4:30 PM ET

MITCHEL FIELD, N.Y., Dec. 08, 2017 (GLOBE NEWSWIRE) -- Frequency Electronics, Inc. (NASDAQ:FEIM), will hold its quarterly conference call to discuss results for the second quarter of its fiscal year 2018, ended October 31, 2017, on Wednesday, December 13, 2017, at 4:30 PM Eastern Time.

This call is being webcast by Shareholder.com and can be accessed in the Investor Relations section of Frequency's web site at www.fregelec.com. Investors and analysts may access the call by dialing 1-877-407-9205. International callers may dial 1-201-689-8054. Ask for the Frequency Electronics conference call.

This call will be archived on the Company's website through March 12, 2018. A telephone replay of the archived call will be available at 1-877-481-4010 (domestic), or 1-919-882-2331 (international), using Conference ID #13674540 for one week following the call.

About Frequency Electronics

Frequency Electronics, Inc. is a world leader in the design, development and manufacture of high precision timing, frequency control and synchronization products for space and terrestrial applications. Frequency's products are used in satellite payloads and in other commercial, government and military systems including C4ISR and EW markets, missiles, UAVs, aircraft, GPS, secure radios, energy exploration and wireline and wireless communication networks. Frequency has received over 100 awards of excellence for achievements in providing high performance electronic assemblies for over 150 space and DOD programs. The Company invests significant resources in research and development and strategic acquisitions world-wide to expand its capabilities and markets.

Frequency's Mission Statement: "Our mission is to provide precision time and low phase noise frequency generation systems from 1 Hz to 46 GHz, for space and other challenging environments."

Subsidiaries and Affiliates: FEI-Zyfer provides GPS and secure timing ("SAASM") capabilities for critical military and commercial applications; FEI-Elcom Tech provides sub-systems for the Electronic Warfare ("EW") and added resources for state-of-the-art RF microwave products, FEI-Asia provides cost effective manufacturing capabilities. Frequency's Morion affiliate supplies high-quality, cost effective oscillators and components. Additional information is available on the Company's website: www.frequencyelectronics.com
