Frequency Electronics Announces First Quarter Fiscal 2025 Financial Results Conference Call: Tuesday, September 10, 2024, at 4:30 PM ET

Sep 6, 2024

MITCHEL FIELD, N.Y., Sept. 06, 2024 (GLOBE NEWSWIRE) -- Frequency Electronics, Inc. (NASDAQ: FEIM), will hold a conference call to discuss results for the first quarter of its fiscal year 2025, ended July 31, 2024, on Tuesday, September 10, 2024, at 4:30 PM Eastern Time.

This call is being webcast by Issuer Direct Corporation and can be accessed in the Investor Relations section of Frequency's web site at www.fregelec.com. Investors and analysts may also access the call by dialing 888-506-0062. International callers may dial 973-528-0011. Callers should provide participant access code: 378096 or ask for the Frequency Electronics conference call.

A telephone replay of the archived call will be available at 877-481-4010 (domestic), or 919-882-2331 (international), for one week following the call (replay passcode: 51248). Subsequent to that, the call can be accessed via a link available on the company's website through December 10, 2024.

About Frequency Electronics

Frequency Electronics, Inc. (FEI) is a world leader in the design, development and manufacture of high precision timing, frequency generation and RF control products for space and terrestrial applications. FEI's products are used in satellite payloads and in other commercial, government and military systems including C4ISR and electronic warfare, missiles, UAVs, aircraft, GPS, secure communications, energy exploration and wireline and wireless networks. FEI-Zyfer provides GPS and secure timing capabilities for critical military and commercial applications; FEI-Elcom Tech provides Electronic Warfare ("EW") sub-systems and state-of-the-art RF and microwave products. FEI has received over 100 awards of excellence for achievements in providing high performance electronic assemblies for over 150 space and DOD programs. The Company invests significant resources in research and development to expand its capabilities and markets.

FEI's Mission Statement: "Our mission is to transform discoveries and demonstrations made in research laboratories into practical, real-world products. We are proud of a legacy which has delivered precision time and frequency generation products, for space and other world-changing applications that are unavailable from any other source. We aim to continue that legacy while adapting our products and expertise to the needs of the future. With a relentless emphasis on excellence in everything we do, we aim, in these ways, to create value for our customers, employees, and stockholders."
