ITEM 5. OTHER EVENTS

On April 30, 2002, Frequency Electronics, Inc. (referred to as "FEI") settled the arbitration proceeding it had commenced in June 2001 before the American Arbitration Association against The Home Insurance Company of Illinois ("Home") under an excess directors and officers liability insurance policy. FEI had asserted claims for its loss relating to, among other matters, sums it paid in connection with the Global Settlement and Disposition with the Government on June 19, 1998. Under the terms of the settlement agreement, Home paid FEI One Million Five Hundred Thousand (\$1,500,000) Dollars, FEI released its claims and the arbitration was discontinued. FEI has now recovered a total of Nine Million (\$9,000,000) Dollars under the primary and excess insurance policies which covered the loss relating to the Global Settlement and Disposition and related matters.

For a further discussion of FEI's claims against its insurance carriers reference is made to the Forms 10-K for the fiscal years ended April 30, 2001 and April 30, 1998, respectively, filed by FEI under Section 13 of the Securities Exchange Act of 1934, which are on file at the Securities and Exchange Commission.
