

FREQUENCY ELECTRONICS, INC.
ANNUAL MEETING OF STOCKHOLDERS
October 6, 2021
RULES OF CONDUCT AND PROCEDURES

Welcome to the Annual Meeting of Stockholders (the “Annual Meeting”) of Frequency Electronics, Inc. (the “Company”). It is our desire to conduct a fair and orderly Annual Meeting. Kindly observe the following Rules of Conduct and Procedures.

1. Our Company’s bylaws describe requirements for meetings of our stockholders and the Chair of the Annual Meeting will conduct the meeting consistent with those requirements and these Rules of Conduct and Procedures.
2. Because this is a meeting of our stockholders, only our stockholders are permitted to ask questions during the Annual Meeting. You need to have held stock as of the close of business on the record date of August 13, 2021, to vote or submit questions while participating in the virtual Annual Meeting. To vote or submit questions, please login as a stockholder by entering the 16-digit control number you received with your proxy materials. If you have voted your shares prior to the start of the Annual Meeting, there is no need to vote those shares during the Annual Meeting unless you wish to revoke or change your vote.
3. We will strictly follow the Agenda as we conduct the meeting.
4. If a stockholder has a question about one of the matters in the Agenda to be voted on by the stockholders at the Annual Meeting, the stockholders must be logged into the web portal and such question must be submitted in the field provided in the web portal at or before the time the matters are before the Annual Meeting for consideration.
5. Following adjournment of the formal business of the Annual Meeting, the Company’s management will give a presentation about the Company’s business. At the conclusion of this presentation, the Company will address appropriate general questions from stockholders regarding the Company. Such questions must be submitted in the field provided in the web portal during the Annual Meeting.
6. To allow us to answer questions from as many stockholders as possible, we will limit each stockholder to two questions. Questions should be succinct and cover only one topic per question. Questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.
7. Stockholder questions must be germane to the Company and appropriate for the Annual Meeting. The Company does not intend to address any questions that are, among other things:
 - irrelevant to the business of the Company or to the business of the Annual Meeting;
 - related to material non-public information of the Company;
 - related to personal grievances or employment matters;
 - derogatory references to individuals or that are otherwise in bad taste;
 - repetitious statements already made by another stockholder;
 - in furtherance of the stockholder’s personal or business interests; or
 - out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair or Secretary in their reasonable judgment.
8. If there are any matters of individual concern to a stockholder and not of general concern to all stockholders, or if a question posed was not otherwise answered, such matters may be raised separately after the Annual Meeting by contacting Investor Relations at <https://ir.freqelec.com>
9. Recording of the Annual Meeting is prohibited. A webcast playback should be available at www.virtualshareholdermeeting.com/FEIM2021 24 hours after the completion of the meeting.

Thank you for your cooperation and for joining the Company at the Annual Meeting.
